The mission of the Center for Health Equity, Diversity and Inclusion (CEDI) is to build individual and institutional capacity to achieve excellence, foster innovation, and further health equity in our state and region by advancing diversity and inclusiveness throughout the School of Medicine’s teaching, patient care and research programs.

INSTITUTIONAL CLIMATE:
Cultural Humility, Diversity & Inclusion Resources
• Faculty/Health Professional Development Workshops
• Participates in Departmental Diversity Meetings
• Provides trainings regarding implicit bias

MEDICAL EDUCATION:
Health & Health Care Disparities
• Six healthcare and health disparity courses in the following areas: American Indian/Alaska Native; African American; LGBTQ; Hispanic/Latino communities
• Hispanic, Indian Health and LGBTQ Pathway Certificates

WORKFORCE DEVELOPMENT:
Pipeline Continuum
• Supports General Medical Education, medical students, residents (NURF), faculty (CMFA) and faculty recruitment and development efforts
• Supports several medical student organizations and their initiatives including: Student National Medical Association, (SNMA); Latino Medical Student Association, (LMSA); Medicine Wheel Society; Asian Pacific American Medical Student Association, (APAMSA); and Q-Med
• Summer Health Professional Education Program (SHPEP), a six-week enrichment program for underrepresented/disadvantaged college freshmen and sophomore students interested in medicine, dentistry and other health science careers
• The Health Professions Academy (HPA) is a comprehensive professional development program for UW undergraduate students from disadvantaged backgrounds who are aspiring to become physicians and dentists. The goal of the HPA is to provide students with opportunities to develop the academic skills and participate in experiences outside of the classroom that are needed to successfully compete for entry into health professional schools.

COMMUNITY ENGAGEMENT:
Partnerships
• Oversees community activities & partnerships
• Supports alumni engagement
• Supports WA, WY, AK, MT, ID (WWAMI) diversity efforts
The mission of the Center for Health Equity, Diversity and Inclusion (CEDI) is to build individual and institutional capacity to achieve excellence, foster innovation, and further health equity in our state and region by advancing diversity and inclusiveness throughout the School of Medicine's teaching, patient care and research programs.

**INSTITUTIONAL CLIMATE:**
